

Class Request for Honors and Gifted Courses Seventh Grade

Student's Legal Name: _____ Student ID #: _____
(please print)

I would like to be considered for the Honors and/or Gifted courses circled below. Although this request is the required first step, I understand that it does not guarantee placement in the requested program. Admission will be based upon multiple criteria as detailed in the Centennial Middle School Course Description Booklet.

English 7 Honors

English 7 Gifted

Science 7 Honors

We have read the course description options in the Centennial Middle School Course Description Booklet and have thoughtfully considered the differences between the standard-grade level, honors, and gifted courses. We have considered all options and are committed to the programs we have requested. If placed in the course, we understand that course changes cannot be made mid-year. We acknowledge that Honors and, to a greater extent, Gifted courses are for students who are self-motivated, enjoy challenges and exhibit a high personal interest in the subject matter. These courses will accelerate and enrich the traditional curriculum and will require additional work.
