**Centennial Middle School
Chromebook and Headphone User Agreement**

In order to enrich curriculum at CMS, many teachers will be using Chromebooks in class throughout the year. Students will use the internet and other Google apps to read class texts, write, research, complete assignments, and have class discussions. Our goal is to help students learn to think critically and become better communicators by using tools that are available to them online. All district, school, and classroom rules will be enforced when students are using Chromebooks. Parents/students are responsible for visiting the district website to read the Provo School District's acceptable use policy in its entirety.

Student, please read the following Chromebook and headphone policies and sign below to show that you will follow these policies in all of your classes.

- I agree to use Chromebook(s) for educational purposes only, unless specific permission is granted by a teacher.
- I will only use the Chromebook(s) I am assigned, unless permission to use another Chromebook is granted by a teacher in an emergency.
- I will keep my password confidential and properly log off before plugging my Chromebook(s) in. I will never let anyone else use my account.
- I will be respectful to school Chromebooks by not changing any settings, removing the keys or stickers, etc.
- I will handle Chromebooks with care in moving them from the carts and replacing them in the correct slot and plugging them in.
- I will only use the headphones that I have been assigned or headphones I have brought from home.
- I will notify my teacher of any problems or damage to my Chromebook(s) immediately or I could be responsible for the repair.
- I understand that any misuse of school Chromebooks will result in loss of use and/or financial responsibility to pay for damage or replacement of the Chromebook and/or headphones.

Parent/Guardian, please sign below giving permission for your student to use Provo City School District Network Services.

As the parent or guardian of this student I have read the terms and conditions of this agreement. I understand access to the Network Services is a privilege and not a right, and is provided for educational purposes. However, I also recognize it is impossible for Provo City School District to restrict access to all controversial materials. Therefore I will not hold the school, the school district, or any member of the school district responsible for inappropriate communication on the Network Services or for any objectionable material viewed or used by my student. I understand that any misuse of school Chromebooks will result in loss of use and/or financial responsibility to pay for damage or replacement of the Chromebook and/or headphones.

I hereby give my permission for my student, whose name and signature appear above, to use the Network Services in the Provo City School District and, where appropriate, to be issued a password and/or an account that will give them that access.
