

ADVANCED ART

Centennial's art department offers an advanced art class for students with a strong interest in art and a desire to improve their abilities. We hope to provide a more unique art making experience through field trips, visiting artist workshops, and student directed learning. Students will be able to expand their own artistic style and learn new skills as they are provided a unique learning experience. One of the greatest aspects is to be in a class with other students who also love art and are committed to working hard.

In order to take this class, this application must be filled out and returned to the counseling office or one the art teachers before registration in march.

You will need to have taken at least one art class previous to applying for advanced art. In that class you should have demonstrated:

- A commitment to art
- An interest in learning and improving
- Proper use of materials
- Responsible behavior and work ethic.

Selection for this class will depend on your previous performance and availability.

PLEASE DESCRIBE WHY YOU WANT TO TAKE THIS CLASS
