## Options for 7th Graders

We have 2 awesome theater options for 7th graders at Centennial! You can take one or both of them during your 7th grade year, but if you are interested in taking theater foundations 2 as an 8th grader, you must take one of these classes.

### **MUSICAL THEATER (THE SCHOOL MUSICAL)**

This is a brand new class this year! If you want to be an actor in the school musical, you must be in this class. We will audition and rehearse the musical in this yearlong class. There will be some after school rehearsals 2-4 weeks before the musical, which will be held the first weekend of February. Please only sign up for this class if you will be able to perform in the musical. We will focus on music, dance, rehearsal, performance and musical history in this exciting new class!

### **THEATER FOUNDATIONS 1**

This semester long class focuses on the basics of theater. We will work on improv, playwriting, auditioning, theater history, and production basics, and we will rehearse and perform a small in-class performance with an invited audience! There are no rehearsals outside of school for this class.
