Highlights

Student Spotlights

Public Relations- Jane Deans is one half of the power duo that give the morning announcements and lead the pledge of allegiance. Jane does her best to emulate what she thinks a leader should be by being hardworking, respectful, and kind. While loving to eat Thai and Indian food and watching movies, she hopes to visit Ireland someday in the future.

President- Harry Kimball uses his skill of listening to everyone to help be a good leader and wants to give everyone a chance to be heard and respected. He really loves his robotics class, eating korean food and would love to one day travel to Bali.

Historian- Aley Garcia-Medina is a dedicated student who looks up to leaders who listen and respect those they lead regardless of their differences. Aley loves student government, Chinese food, and would like to travel anywhere, but maybe especially Germany.

PUBLIC RELATIONS- BELLA THORSTENSON IS THE OTHER HALF OF OUR ANNOUNCEMENTS AND PLEDGE DUO. SHE WORKS TO HELP CMS BE ITS BEST BY BEING HELPFUL AND KIND, ESPECIALLY AS AN OFFICE AIDE. BELLA WOULD LOVE TO TRAVEL TO BORA BORA AND STAY IN A HUT OVER THE WATER, BUT IN THE MEANTIME, ENJOYS WATCHING FOOTBALL WITH HER FAMILY.

Secretary- Ronin Stanley believes that a good leader should care about everyone they represent and works hard to show that to the students of CMS. He loves French class, all kinds of meat dishes and dreams to one day visit the amazing country of Australia.

Vice- President- Siqi Pang works hard to make sure that everyone she meets doesn't feel left out or behind to help make centennial a place students look forward to coming to. She loves eating dumplings, anything Harry Potter and wants to go to Vienna, Austria.

Teacher Feature

Art

**KaLee
Mortensen**

Kalee Mortensen teaches art here at CMS. She is always kind and positive and is a talented artist. She has helped with yearbook and designed our new PACK posters you will see around the building. You might find her chalking the block, hiking, or playing with her adorable corgi during her free time. We are lucky to have Ms. Mortensen here at Centennial and are thankful for everything she does for our school and students.

Principal's Message

Hello Timberwolf Community!

We have made it through our first few weeks of school, and it is so good to see the students back in the building. We are planning to add more positive reinforcement and celebrations to help our students feel more connected to the school. I am also hoping to help you feel welcome. I'd like to invite you to our first Pastries with the Principal event on September 13 from 7:30-8:30am in our library here at Centennial. This is just an open house I plan to host multiple times throughout the school year. I hope it is an opportunity for us to get to know one another, answer questions, and welcome feedback and open communication. Thank you for sharing your students with us and trusting us with their education. Please feel free to reach out if you ever have any questions or concerns. Email is easiest, but I can also make appointments to meet by phone or in person. My email is brookannet@provo.edu.

Sincerely,

Brook Taylor
