MAY 15, 2017**

THE CENTENNIAL MIDDLE SCHOOL COMMUNITY COUNCIL MET ON Monday may 15, 2017 at 12 NOON IN THE ADMINISTRATIVE CONFERENCE ROOM.

THE FOLLOWING COUNCIL MEMBERS WERE IN ATTENDANCE AT THE MEETING:

Gaye Gibbs – Principal

Rebecca Snow - Parent

Arica Sumner – Teacher Rep.

Lisa Boyce - Parent

Matthew Rittmanic – Chairman Parent

(Linda Freeze – school secretary taking minutes)

MINUTES OF MAY 15, 2017 MEETING:

Matthew welcomed everyone and turned the time to Gaye Gibbs. Gaye discussed the amendment for 2016-16 Trustland Plan. The amendment is:

Change the \$10,000.00 set aside for Reading Plus Program because we do not have to pay for Reading Plus this year. Instead, the \$10,000.00 would be used for English books.

Lisa Boyce made a motion the amend the Trusland Plan.

Rebecca Snow seconded it.

All present voted yes. (5 yeses—1 person on council absent)

Gaye reported that the tentative Sage test scores showed grow. Will report when all scores are in.

Odds and ends:

Teachers are looking at maybe all going to Google Classroom. If so, an information booth at back to school would be helpful for parents.

Lisa Boyce reported on a meeting she went to-Provo City Council and Provo School Board concerning safe walking route to Centennial. It seems the Principal and Community Council must go straight to the City about suggestions for safe school routes. BYU students have taken data showing where there could be improvements. Matthew knows Wayne Parker who is the chairman for the city safety committee. He will follow up with him and see how we can get some safety issues done before the fall. Improvements need to be made to the traffic so students will be safe coming to school.
