1. Update on expenditures so far:

The school is working on hiring more aides to spend the money allocated for them.
Band and Orchestra are spending the money allocated to them.
Chromebooks for the Art department are in the process of being ordered.
We have had 2 requests for Mini Grants:
Mennear- 750.00 for library books
Hanni- 250.00 for classroom books

2. New Mini-Grant requests:

Hanni- The \$500.00 grant from the Foundation did not get approved. She would like \$500.00 to work on her classroom library.
Motion to approve the \$500.00 made by Pam Smalley
Marci Lemonnier seconded.
Vote was unanimous in favor.

Soerensen, Soerensen and Ballin: Request is for \$750.00 for CPR Annies for the Health classes.

Discussion: will \$750.00 adequately cover the expense? No a set of 4 adult and 4 baby dummies is 1529.99.

What do they do currently? The Health teachers borrow Annies from Provo School District twice a year. They use them for their CPR Unit once a semester and haul them across town to do so. CMS bought one set last year so they now only have to borrow two sets.

Who would use them? All of the 8th grad students or ½ of the school.

Could we grant them enough to buy to sets? If we all agree we can amend the amount we are going to grant.

The proposal is amended to reflect the purchase of two full sets of Annies.

Motion to approve amending the amount granted and buying two sets of Annies by Marci Lemonnier.

Seconded by Paul Calarella

Vote was unanimous in favor.

3. Items for next meeting:

School safety in light of the bond not passing. Money and what we can do to help secure the school.
