Marci moves to approve all three at \$350.00 per.

Jennie seconds

Vote: unanimous to approve

Follow up from last month: No carryover more than 10-20% this year.

Review of this year's plan:

\$60,000 Instructional Aides on track spending

\$20,000 ESOL Aides on track spending

\$7,000 Mini Grants on track spending

\$6,000 PBIS on track spending

\$7,000 AVID will follow up with Midgley on supplies needed

\$40,000 Conference and Prof Development

\$30,000 Chromebooks

These last two have not been spent yet. Kyle will meet with District Tech on 1/13/2021 and we may need to reallocate the \$40,000 to go with the \$30,000 to replace chromebooks for this year. We will see the number that will be obsolete and know better what we will need after Kyle's meeting. We will wait to amend anything until after we know what our needs will be.
