Second Larissa Andersen

Vote to approve: Unanimous in favor

Library \$350.00 Books to bring library up to date

Motion to Approve: Jennie Blum

Second: Marci Lemonnier

Vote to Approve: Unanimous

Trustlands:

Possible amendments this year:

PD we will be paying for 10-15 teachers AVID training and will probably have between \$15,000 and \$20,000 left

Chromebook repair may not be needed. Melanie and the school board will discuss this in their next meeting the school district's plan for Chromebook replacement and distribution needs for next year.

Next year's plan:

Due March 26<sup>th</sup>.

Areas of focus:

Sense of Belonging

Student's relationships with teachers

Teaching communication skills and confidence

Anxiety issues/mental health

Can we fund catching up?

Next year's tentative plan is to double block each student in Math and English.  
Community Council could continue to fund Instructional Aides to help with this.

We are further implementing the AVID program. One suggestion is to have paid college age tutors for this. Community Council can fund this also.

We are considering implementing Second Step Curriculum. This addresses social and emotional needs the cost is \$7,000 for the whole school for 3 years.

We can possibly reduce Professional Development funding and Chromebook funding.

Next Meeting March 9 11:00 AM via Zoom

Motion to adjourn: Larissa Andersen

Second: Marci Lemonnier

Vote: Unanimous in favor
