School Safety:

- Follow up on Safe Routes to School
  - The house on the corner of 2230 and 2320 is not going to sell to the city. This means no light and no crosswalk. Until this house sells there is really nothing that can be done. Ashley will reach out to city contact and invite him to our next meeting to get more information.

Digital Citizenship

- Report on the Digital Citizenship Assembly held on October 5<sup>th</sup>
  - Richard Culatta presented. The assembly went well, 7<sup>th</sup> graders got a little squirrely. He did not have enough time to cover all the information. Perhaps PACK lessons to fill in the gaps. (digital footprint, cyber-bullying, online safety, pornography etc.) Brook will follow up with the leadership team about this and report back next meeting.

Trustlands Budget- This was tabled until next meeting to make time for addressing Rules of Procedure

Being used in the 23-24 school year to pay for teachers

- EOY and BOY testing
- Report on Vocabulary words for students

Review 23-24 plan

## Rules of Order & Procedure

- Seats & Election Periods & Process
  - Description of Attendance policy for council members
  - How do we decide tied votes?
  - Reporting process for conflicts of interest
- Action Item: Vote on Rules of Order & Procedure

Emily will type up new rules of procedure to be emailed and reviewed. A vote will be taken next time.
